

Cedar Ridge Band Boosters FAQ

Communication Methods

What communication methods are used to share information?

The Directors will use email to send weekly updates and real time information regarding schedules. Make sure you have provided the Directors with emails for your student(s) and any family members who need to be aware of schedules, expectations, etc.

The Boosters use a [website platform](#) that provides much of the information you need to be an active member of the Booster organization. Weekly newsletters are sent to registered users of the website, so be sure to register to receive the latest information.

Is there a Student Band Handbook?

Yes, it's available through the Cedar Ridge Raider Band Boosters Website. Please refer to the "[Meet the Directors](#)" page or the "[Parents/Students](#)" page.

Cedar Ridge Band Boosters FAQ

Band Camp & Rehearsals

What does my student need to bring to Summer Band & Color Guard Camp?

Refer to the [Band Handbook](#) for a detailed list,

Can parents watch rehearsals?

Yes! Families are encouraged to enjoy the evening watching their students rehearse. It's a great opportunity to meet families and ask questions!

How much does the Band & Guard practice?

Per State of Texas UIL rules, band students are limited to 8 hours a week of practice during the school year. UIL allows students to rehearse an additional hour on the day of a performance, in addition to the "base" eight hours.

What does my student bring to after school practice?

Band Students should always have their instrument and music ready for practice. They should bring their water jug (used during Summer Band Camp) in the morning and store it in their locker. Some students prefer to fill it with ice/water at home that morning rather than trying to fill it at school.

Cedar Ridge Band Boosters FAQ

Students may also bring a snack to have between school dismissal (4:20) and start of practice (5:00). Protein bars are highly recommended. Sweet snacks, chocolate or fried foods are **NOT** recommended as they can cause stomach upset during practice.

What if my student is absent?

Always communicate absences to the Directors, this includes tutorials, practices and illnesses. Refer to the [Band Handbook](#) for the official absence policy.

Will my student have time to study or attend tutorials?

Yes, the practice schedule is designed to allow time for students to attend tutorials in the mornings or afternoons. Students are highly encouraged to attend academic tutorials either before or after school to maintain passing grades. Any schedule conflicts should be discussed with the Directors.

How are students able to balance band with other extracurricular activities?

Communication with the Band Directors is strongly advised. The Directors work with students to arrange a schedule that is accommodating to everyone. Our philosophy is that you should not have to make a choice between two activities in high school when you have not yet experienced either one!

Band Finances

What are the Band Fees?

Band fees are determined annually by the Band Director who also provides a payment schedule. Special circumstances can be discussed with the Director. Various Winter/Spring events may require additional fees.

Band Fees are separate from Booster Fees.

What is Charms?

The band program uses Charms to manage student financial accounts for Band and Booster Fees. Charms manages all financial information (fees, payments and credits)

Cedar Ridge Band Boosters FAQ

Marching Band Competitions

In what marching competitions do we participate?

Refer to *Academic Eligibility rules in the Band Handbook*.

- Texas UIL Marching
- Texas UIL Concert
- Texas UIL Region/Area/State (individual)
- Texas UIL Solo & Ensemble
- Bands of America (BOA)

What are BOA and UIL? What's the difference?

These are the two “entities” in which the marching band competes.

Bands of America (BOA) are contests hosted by Music For All - a national, for-profit company. These contests are viewed as premier marching events for competitive ensembles.

University Interscholastic League (UIL) is the Texas state government-entity that oversees athletic and extracurricular activities in our schools.

Bands of America (BOA)

BOA contests are always in a Prelims and Finals format. All bands perform in prelims. The top 10, 12, or 14 bands with the highest score from prelims (depending on the contest) will compete in Finals.

Cedar Ridge Band Boosters FAQ

For BOA Austin, prelims and finals are the same day. Typically, approximately 20 bands compete, and 10 bands perform in finals.

For BOA San Antonio, prelims performances are on the Friday and Saturday of the contest. Typically approximately 80 bands compete, and 14 bands perform in finals.

For BOA, there is no “advancing” from one contest to the next. Band programs simply register for individual events based on schedule, travel and other preferences.

[University Interscholastic League \(UIL\)](#)

Each year, all band programs attend “Region UIL”. This event is a state-mandated evaluation of the performing ensembles. There are three adjudicators, and each adjudicator gives a rating of 1 (superior) to 5 (poor). There are no prelims or finals at Region UIL. It is just one performance and you receive one rating.

Every two years, bands have the opportunity to go through the UIL process that recognizes the best bands in or state and declares a State Champion. As of the 2019 - 2020 academic year, Cedar Ridge is a 6A Marching Band and our next opportunity to advance to the State Marching Championship is in the 2020 - 2021 academic year.

To make it to the State Marching Championship, a band must:

- 1) Receive an overall “1” from the adjudicators at Region in order to advance to Area
- 2) Compete at the Area contest

Cedar Ridge Band Boosters FAQ

- a) Area is a Prelims and Finals format. The top ten rated bands in Prelims will perform and compete in the Finals.
 - b) For every five bands that perform in prelims, one band will be selected in Finals to advance to the State Marching Contest.
 - i) For example. If there are 25 bands that compete in prelims, the top ten perform in finals, but the top **five** will advance to State.
 - ii) If there are 24 bands that compete in prelims, the top ten perform in finals, but only the top **four** will advance to State.
 - c) The Area Marching Contest is highly competitive. To even be a finalist at Area is a major achievement for a marching band.
- 3) Compete in the State Marching Contest (“SMC”)
- a) SMC is a Prelims and Finals format. Prelims are typically held one day, and finals held the next day.
 - b) The number of finalists has varied from year to year. On the last SMC cycle, there were 12 bands that competed in the Finals.
 - c) The winner of the SMC is declared the State Marching Band Champion.

Marching band contests schedules are typically released a few weeks before the event. It is best to plan for an all-day event on the day of a marching contest. Directors will make an itinerary for the day as soon as they receive the schedule.

Cedar Ridge Band Boosters FAQ

Where can I find the Cedar Ridge Band & Guard performance schedule?

The Cedar Ridge Band & Color Guard's performance schedule is available on the calendar at crhsraiderband.org. Their performance seasons consist of Marching Season, Concert Season, Color Guard and Winter Guard.

Cedar Ridge Band Boosters FAQ

Appearance and Dress Code - Band Students

During Marching Season

Cedar Ridge Band Boosters FAQ

Band Boosters Organization

Who is a Band Booster?

Parents and family members of Band & Guard students are members of the Cedar Ridge HS Band Boosters (CRHSBB). Booster meetings are held monthly. While attendance is not required, it is highly encouraged so you can learn more about what the Boosters do to serve the Band Program.

How do I volunteer for the Band & Guard program

First, all adult volunteers must complete the RRISD Volunteer Application annually. [Click here](#) to access the current year's application.

Most volunteer opportunities are managed through the Booster website's [Volunteer Page](#). Sign Up Genius may also be used, when we are in need of donations (items).

I am apprehensive about volunteering, where should I start?

Check out the Booster website's [Volunteer Page](#) or contact our Volunteer Coordinator at volunteers@crhsraiderband.org, who will answer all of your questions, discuss how the parent support roles benefit our band program, discuss our different opportunities and how to find them.

Cedar Ridge Band Boosters FAQ

Is there a volunteer training?

Yes, a mandatory volunteer training is scheduled annually and is an overview of our 'Friday Night Lights' positions including Pit Crew, Chaperones, Meals and Uniforms. Training sessions may also be provided for Concessions Stand Managers and Texas Marching Classic.

What are some other examples of volunteer options?

- Volunteer to serve meals to students prior to football games or marching competitions
- Volunteer to chaperone on game/competition days

Band Booster Fundraising Opportunities

The Band Booster organization is committed to serving the Band's Students by providing funds for meals, supplies, technical instruction and other expenses. We utilize multiple avenues to fund these efforts including Booster Fees, Concessions, Texas Marching Classic and Fundraising.

What kind of fundraising does the Band Boosters conduct?

Fundraising efforts include a No-Hassle Donation Drive, Raffles, Mattress Fundraiser and Mulch Fundraiser. We also engage the community through our Sponsorship Program and Social Nights.

Is there a Sponsorship Program?

If you would like to sponsor the band either as an individual or through your business, please contact our [Fundraising Chair](#). The Boosters do have a [Sponsorship Program](#) as well as specific fundraisers throughout the year.

What are Social Nights?

The Band Boosters partner with local restaurants and businesses to host a Social Night on prearranged evenings. The restaurant or business will donate a percentage of the sales from that evening to our band program. We're always looking for new ideas and activities. Connect with us by sending an email to fundraising@crhsraiderband.org. Typically, we need about 2 months
