- Educational institutions (K-12 included)
- Health and human services
- Arts and cultural organizations
- Civic and community organizations
- Environmental organizations
- And nearly all other 501(c)(3) organizations

AIG will match the first \$5,000 donated per employee each year meaning the maximum company contribution is \$10,000 (thanks to the 2:1 match ratio.)

Matching Gift Submission Process: AIG employees should register their matching gift requests electronically through the company intranet. The electronic submission form can be found by searching for "matching gifts".

Submission Deadline: While AIG encourages employees to submit the matching grant requests in a timely manner, AIG will match donations made at any point during the last 12 months.
