Maximum Matched:	\$250
Match Ratio:	1:1
Full-time employees eligible?	Yes
Part-time employees eligible?	No
Retirees eligible?	No

AT&T doesn't offer a "matching gift program" but the company supports the organizations which employees are passionate about through its Cause Cards program.

Cause Cards are grants from the AT&T Foundation given to eligible charities recommended by employees. All employees that participate in the annual Employee Giving Campaign will be eligible to receive a Cause Card.

Eligible nonprofits include:

- Educational institutions (K-12 and higher education), Arts & cultural organizations, Environmental organizations, Civic and community organizations, Health and human service organizations, And many other 501(c)3 organizations

Expected Cause Card Value: Employee pledges will be eligible for a Cause Card on a sliding scale based on a percentage total giving. These Cause Cards are expected to range from \$25 - \$250. Employees will be notified of the value of the Cause Card and the deadline by which they need to redeem it by making a recommendation for an AT&T Foundation grant to an eligible 501(c)(3) charity of their choice.

Additional details are available at <https://att.yourcause.com/>.

Submission Process:
